

Ontario Curriculum Support Resource For Grades 8 and 9 classrooms

With specific linkages to the grade 8 and 9
Healthy Active Living Expectations

FEATURING *Skeletons in the Closet* – a 25-minute video about the motives, risks and consequences of young teens and parties.

This teacher-friendly resource package explores the challenges that youth face related to their peers and parties, plus the many other influences and pressures they experience as they make the transition to high school. These challenges are explored in seven interactive and compelling activity-modules for a possible total of 360 minutes.

Each activity module includes:

- Objective and overview
- Teaching / learning strategies
- Summative response journal
- Assessment / evaluation
- Accommodations
- Planning notes
- Appendices (black line masters)

The package also contains extensive teacher, student and parent resources on Tobacco, Alcohol, Marijuana and other drugs.

The document is available in

- **CD-ROM** with cross-reference links between table of contents, teaching strategies and appendices (all pages can be printed right from the file)
- **Hardcopy manual** – 102 single sided pages in a 3-ring binder for easy access and photocopying
- The *Skeletons in the Closet* video accompanies all orders.

Note: there is swearing in the video. Teacher may choose to prepare students for the incidences of swearing or use an edited (swearing removed) version.
